DISTRIBUTION OF INDIANA GUARD RESERVE PUBLICATIONS

15-1. Purpose. This chapter establishes formulas, and symbols representing these formulas, in connection with distribution of Indiana Guard Reserve (IGR) standard publications.

15-2. Formulas and Symbols. General distribution of IGR publications will be indicated by an alphabetical symbol as follows:

a. **Distribution "A":** One (1) each IGR General Staff Officer and one (1) each for the Headquarters Commandant and First Sergeant.

b. **Distribution "B":** Brigade Commander and Staff (3 copies).

c. **Distribution "C":** Battalion Commander and Staff (2 copies).

d. **Distribution "D":** Support Command Commander and Staff (2 copies).

e. **Distribution "E":** Armory Support Teams - each team (1 copy).

f. **Distribution "F":** All active IGR personnel (1 copy each).

g. **Distribution "G":** Retired IGR personnel (1 copy each).

h. Numbers after the letter symbol indicate additional copies; i.e., "B-5" would mean five additional copies to each of the Brigades.

15-3. Special Distribution. As determined by the preparing staff section.

15-4. Mobilization Requirements. Upon IGR activation, distribution formulas will be modified as dictated by the situation.

15-5. Any distribution to JFHQIN will be noted in addition to IGR distribution designations.
